Literary Nonfiction. WHO KILLED JANEY SMITH? examines one of the most infamous and still unsolved murder cases in Canadian history: the 1924 murder of twenty-two-year-old Scottish nursemaid Janet Smith. Originally published in 1984, and out of print for over a decade, this tale of intrigue, racism, privilege, and corruption in high places is a true-crime recreation that reads like a complex thriller. Anvil Press is pleased to be reissuing this title as part of the City of Vancouver's Legacy Book Project. This new edition features a Foreword by historian Daniel Francis.
